Fathers and mothers wear blue Mao suits.
Children are dressed colorfully. China 1976

Children of the World

Market day - Cuzco, Peru

Farms and Markets Around the World

Radish harvest

From Farm to Table

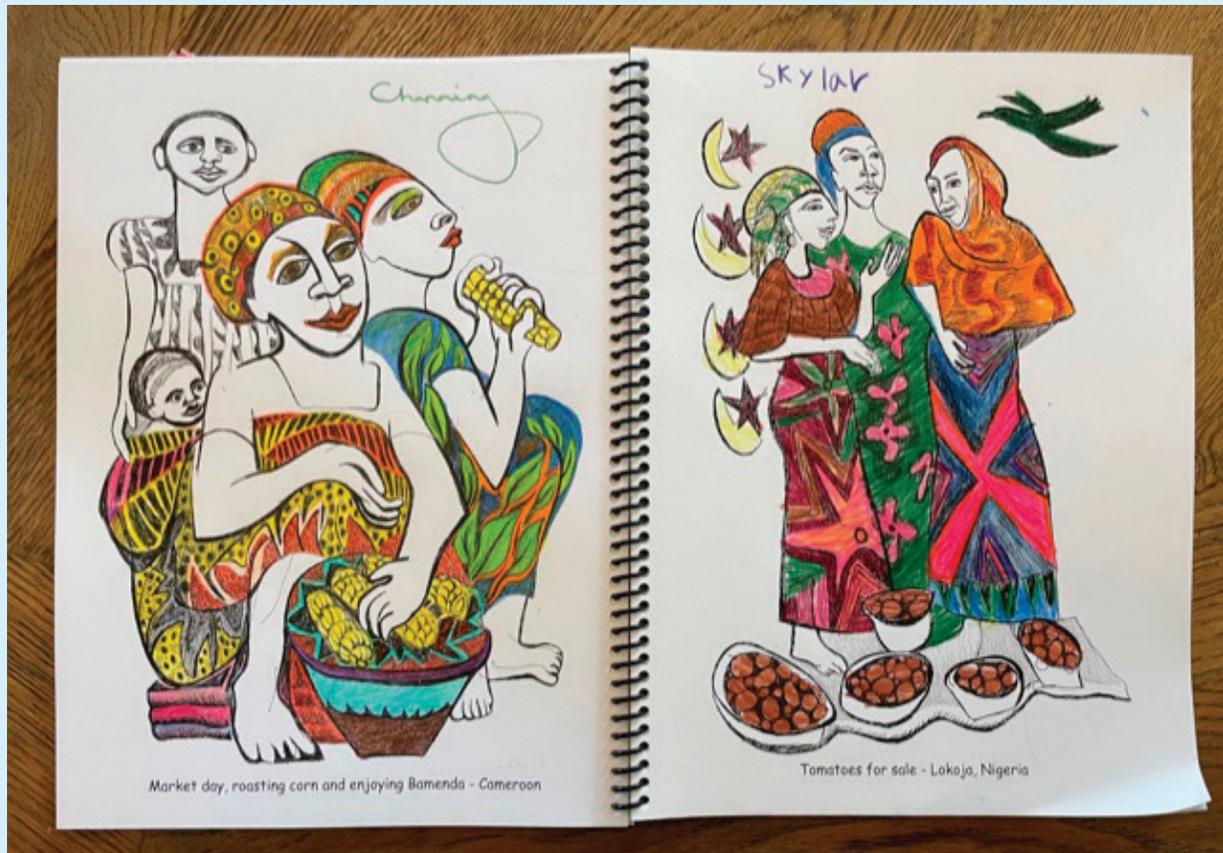

In the Maasai Mara Game Preserve, many thousands of
Zebras live in herds but they team up with Antelope and Wildebeests
to migrate to new feeding grounds.

Animals Wild and Tame

Things People Say...

Skylar, 7, and I had a fantastic time up in her “treehouse” this past weekend, coloring in your book while explaining what the drawings represented. Introducing her to a new kind of human awareness and geography was so very special, and she was spellbound by it all. Her parents found it fascinating as well. Thank you for such an unusual and wonderful gift for her.
